INSTRUCTIONS: After listening to the webinar and watch BibleProject's video on Generosity, respond to the questions below as you hear the phrases.

“Sometimes there really isn't enough.”

Describe a time where you've experienced there not being enough. How do you reconcile this with the idea that God is the generous host?

“Scarcity comes from our own mindset.”

How have you experienced scarcity as a mindset rather than a state of being?

“When we believe there's enough, you start seeing opportunities for generosity everywhere.”
